These Conditions apply to all Contracts between you and us to the exclusion of all other terms and conditions. Any terms or conditions which you put forward whether endorsed on, delivered with or contained in your Order or included in any other documents, do not form part of any Contract and any attempt by you to exclude, vary or limit any of these Conditions shall be void.

2.2 We may provide you with a quotation for the Goods in person, by phone or in writing. Any quotation given by us shall not constitute an offer and is only valid on the same day that it is communicated to you, provided that we do not withdraw it (which we are free to do at any time).

2.3 No Contract shall be formed between you and us unless and until an Order Confirmation Form has been sent by us to you. Each Order which you place and which is accepted by us shall form a separate Contract.

2.4 We shall be entitled to rely in all respects and in all circumstances on the contents of the Order Confirmation Form as stating the quantity and specifications of the Goods that are to be supplied. Accordingly it shall be your sole responsibility to check the Order Confirmation Form and to notify us as soon as practically possible (and in any event within 2 Business Days) after receipt of the same where the Goods are not properly stated in the Order Confirmation Form.

2.5 Where there is a conflict between the Order Confirmation Form and any quotation or estimate that we may have provided, the Order Confirmation Form shall prevail.

3. GOODS

3.1 Our only responsibility shall be to Deliver the Goods in accordance with the relevant specification (subject to clause 3.5) or where we have confirmed that we are able to do so, in accordance with any formal written specification referred to in the relevant Order Confirmation Form. If you wish to have an alternative specification you must raise this issue prior to the Contract being entered into. You acknowledge that we purchase the Goods from a third party manufacturer and as a result we may be unable to meet your requirements. We shall not be liable to you for any costs, expenses, damages, liabilities and losses (whether direct or indirect) which arise as a result of our inability to supply the Goods to your specification where your specification was not received by us prior to the Contract being entered into. You also acknowledge that you are not entitled to cancel any Contract and shall be responsible for all Charges payable under such Contract and agree to indemnify us against any costs, expenses, damages, liabilities and losses (whether direct or indirect) which arise as a result of your failure to advise us of your specifications prior to the Contract being entered into.

3.2 You shall be responsible for ensuring that the Goods, when supplied are in accordance with the specification as set out in clause 3.1. We shall not be obliged to undertake any tests in respect of the Goods.

3.3 Notwithstanding clauses 3.1 and 3.2 where the Goods are pre-packaged goods that are sold on by us in the same packaging as they are bought by us and/or goods that we do not manufacture/process ourselves then, our only obligation shall be to use our reasonable endeavours to pass on to you the warranties given to us by the seller of the Goods to us.

- 3.4 To the extent that we are able to arrange the manufacture of the Goods in accordance with a specification supplied by you, you will indemnify us against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by us in connection with any claim made against us for any actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the use of the specification provided by you. This clause 3.4 shall survive termination of the Contract.
- 3.5 We may, at any time and without notice to you change and/or vary the specification of the Goods for any reason. If the Goods are no longer suitable for your needs you may terminate this Contract by giving notice to us promptly after receipt of such notice from us.
- 3.6 You are responsible for ensuring that the terms of the Order and (if applicable) the specifications provided (as set out in clause 3.1) are complete and accurate.
- 3.7 Any questions or comments regarding the Goods must be raised by you when placing the Order. Any technical advice regarding particular products or performance issues must be raised with us in writing. Our sales personnel are not able to provide technical advice. Any response we provide in relation to a question raised by you will only be given to the best of our knowledge and belief without any liability on our part.
- 3.8 We each acknowledge that we are not entering into the Contract in reliance upon any representation, warranty, collateral contract or other assurance (except those set out in the Contract and the documents referred to in it) made by or on behalf of either you or us before the execution of the Contract. We each waive all rights and remedies which, but for this clause, might otherwise be available to you and us in respect of any such representation, warranty, collateral contract or other assurance, provided that nothing in this clause 3.8 shall limit or exclude any liability for fraud.
- 4. DELIVERY OF GOODS**
- 4.1 Unless otherwise agreed in writing, you shall collect the Goods from our premises as specified in the Order Confirmation Form or such other location as we may advise before Delivery ("**Delivery Location**") within 3 Business Days of us notifying you that the Goods are ready for collection. If we agree any other method of Delivery we will confirm this in writing to you and shall be entitled at our discretion, to charge additional sums for such alternative means of Delivery. This charge will be itemised on the invoice.
- 4.2 Where we agree or state a specified delivery date, we shall use reasonable endeavours to make the Goods available for Delivery on or before the relevant date, but we shall be under no obligation to do so. If no date is specified, we will make the Goods available for Delivery within a reasonable period of time. However, any delivery dates are estimates only and we cannot guarantee that the Goods will be available for Delivery on or by any particular date or time. Please be aware that our business is subject to marked seasonal fluctuations in production and demand and that higher demand in winter months coupled with poor driving conditions may affect the availability of the Goods. You must therefore allow extra time for the Goods to be made available for Delivery and factor this into any Orders you place.
- 4.3 We shall not be obliged to make the Goods available to you at any specified time. You shall be obliged to collect the Goods during the hours of [8:30 a.m.] and [4:30 p.m.] on a Business Day (the "**Normal Delivery Hours**"). If you request that the Goods be made available at a specified time or outside the Normal Delivery Hours and the same is recorded in the Order Confirmation Form, we will use our reasonable endeavours to make the Goods available for Delivery on at the specified time. We may, in our absolute discretion, make an additional charge for this.
- 4.4 Time shall not be of the essence with respect to any of our obligations arising under the Contract. We shall not be liable for a failure to Deliver and/or make the Goods available for Delivery resulting from a Force Majeure Event or from your failure to provide us with adequate information or instructions which are relevant to the supply of the Goods.
- 4.5 We shall not be liable in respect of any loss incurred by you arising from any delay in Delivery of the Goods.
- 4.6 Delivery of the Goods will be deemed to have taken place as follows:
- (a) where the Goods are collected from us by drum, barrel or other container, when the Goods are lifted over the side of the vehicle you have provided for receiving delivery; or
 - (b) where the Goods are collected from our storage tank or site, when the Goods pass the final flange of the storage tank into the vehicle provided for receiving delivery.
- 4.7 Where the Goods are Delivered in some manner other than as specified in clause 4.6 above, Delivery will be deemed to have taken place when the Goods leave our premises or those of our appointed manufacturer of the Goods.
- 4.8 The provisions of clauses 4.6 and 4.7 above are subject to any contrary provision of the Order Confirmation Form which may specify a different date for deemed delivery.
- 4.9 The Goods may be Delivered in one or more separate instalments. Each instalment will be invoiced and must be paid for separately and in accordance with the provisions of the Contract. Each separate instalment shall be a separate Contract. Any failure, suspension or delay by us in respect of any part-Delivery of the Goods or the discovery of any defect in any of the Goods so Delivered shall not entitle you to cancel any other Contract and shall not affect your obligations in respect of any other Contract.
- 4.10 You must in respect of each Delivery of the Goods:
- (a) ensure that all necessary arrangements are put in place for the safe acceptance of each Delivery including (without limitation) providing adequate and appropriate equipment for accepting Delivery ensuring that any storage facilities are clearly marked with product name (grade) and identification number and comply with any and all applicable laws and regulations;
 - (b) in the case of highly flammable Goods and for other similar Goods comply with any and all applicable laws and regulations and maintain any and all appropriate licences required by all applicable laws and regulations;
 - (c) comply with and ensure that any employees, agents, authorised representatives or contractors acting on your behalf comply with all of our health and safety requirements, procedures and processes regarding access to, and conduct at our premises; and
 - (d) (without limitation to the obligations imposed on you by clause 9.2) inspect and check (to the extent reasonably practicable) the Goods to ensure that they conform to the Contract and ensure that your authorised representative signs a delivery note (or equivalent documentation provided by us) to confirm the Goods are as ordered and undamaged. If you/your authorised representative/agent fails to do so, the Goods shall be conclusively presumed to have been received and accepted by you without any claim for any defect, shortage, damage or loss.
- If you are unsure as to the obligations referred to above regarding the safe receipt of the Goods then it is your responsibility to raise this with your own health and safety representative or to take professional advice. It is your responsibility to ensure that your carriage, storage and offloading facilities are adequate and suitable.
- 4.11 We shall ensure that each Delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant reference numbers, the type, quantity and description of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being Delivered by instalments, the outstanding balance of Goods remaining to be Delivered. In the absence of clear contrary evidence this shall be deemed to be conclusive proof as to the date of Delivery and the volume and type of Goods Delivered. If you believe that the information which we have recorded, and which is set out on your delivery notice or invoice, is incorrect then

- you must notify us in writing providing full details of any disputed element(s) as soon as is reasonably practicable (and in any event within 5 Business Days of the date of receipt of the relevant delivery note or invoice).
- 4.12 If we require you to return any packaging material to us we will notify you in writing on the delivery note. You shall make any such packaging materials available for collection at such times as we shall reasonably request. Returns of packaging materials shall be at our expense.
- 4.13 We will invoice you for the volume of Goods actually delivered (as detailed in the delivery note), provided that we will not (without your prior consent) Deliver more Goods than the ordered volume. We will always try to Deliver the agreed volume of Goods, but if we are unable to do so (for example, if we find on Delivery that the tank provided by you for Delivery is deemed by us to be unsafe or there is less space available in the tank provided by you for Delivery than the ordered volume of Goods) and you have paid for the ordered Goods in advance then we will refund (on a pro rata basis utilising the Price) a sum to you to reflect the lower volume of Goods actually delivered.
- 5. FAILURE TO ACCEPT DELIVERY**
- 5.1 If you fail to collect the Goods within 3 Business Days of a notice in writing from us stating that the Goods are ready for collection, or you wish to delay collection then except where such failure or delay is caused by a Force Majeure Event or by our failure to comply with these Conditions:
- (a) Delivery of the Goods shall be deemed to have been completed at 9.00 am on the fifth Business Day following the day on which we notified you that the Goods were ready; and
- (b) we shall store the Goods until physical delivery takes place, and charge you for all related costs and expenses (including insurance) of doing so.
- 5.2 If 5 Business Days after we have notified you that the Goods are ready for collection you have not collected them and/or notified us that you will collect them, we may, in our absolute discretion resell or otherwise dispose of all or part of the Goods and after deducting reasonable storage and selling costs, charge you for any shortfall below the price of the Goods. This may mean that our ability to subsequently Deliver replacement Goods to you may be delayed.
- 6. RISK AND TITLE**
- 6.1 The risk in the Goods passes to you on completion of Delivery.
- 6.2 Notwithstanding Delivery and the passing of risk in the Goods, or any other provision of these Conditions, the property in the Goods shall not pass to you until we have received payment in full (in cash or cleared funds) for:
- (a) the Goods; and
- (b) any other goods that we have supplied to you in respect of which payment has become due.
- 6.3 Until title to the Goods has passed to you, you will:
- (a) hold the Goods on a fiduciary basis as our bailee;
- (b) store the Goods separately from all other goods held by you so that they remain readily identifiable as the our property;
- (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on our behalf from the date of Delivery;
- (e) notify us immediately if you become subject to any of the events listed in clauses 11.1(b) 11.1(l);
- (f) give us such information relating to the Goods as we may require from time to time; and
- (g) deliver up the Goods on written request from us to do so and if you fail to do so, you will allow us (or any employee, authorised representative, agent or contractor) to enter upon your premises or the premises of any third party where the Goods are stored and repossess the Goods, but you may resell the Goods before ownership has passed to you if such sale is a sale of the relevant Goods on your own behalf dealing as principal in the ordinary course of your business at full market value.
- 6.4 You hereby grant us, our agents and employees an irrevocable licence to access and enter any premises at which the Goods are stored at any time to inspect them or (where your right to possession has ended) to recover them.
- 6.5 You are not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain our property, but where you do so all monies owed by you to us shall (without prejudice to any other right or remedy we may have) immediately become due and payable.
- 6.6 We are entitled to recover payment for the Goods in accordance with these Conditions notwithstanding the fact that ownership of the Goods may not have passed to you at that time.
- 6.7 If we repossess any Goods or you deliver up any Goods, in accordance with these Conditions, the Contract(s) in respect of those Goods shall be rescinded.
- 6.8 Your right to possession of the Goods shall terminate immediately upon the occurrence of any of the matters listed in clauses 11.1(b) to 11.1(l).
- 6.9 If any of the events listed in clause 6.8 occur before title to the Goods passes to you or if we reasonably believe any such event is about to occur and we notify you accordingly then, you will deliver up any Goods which remain in your possession, upon request by us and/or we may exercise our rights under clause 6.4.
- 6.10 The provisions of this clause shall continue to apply following termination of the Contract.
- 7. CHARGES**
- 7.1 Save as otherwise agreed in writing by us or as indicated in the Order Confirmation Form, the price of the Goods will be that prevailing at the time of Delivery stated as a price in sterling per tonne, litre or kilogram as appropriate ("**Price**") and shall exclude all other charges, including without limitation, insurance, taxes, duties and any inspections required and/or container charges which shall be payable by you and be charged separately (if applicable) and shown separately on the invoice.
- 7.2 Save as expressly stated otherwise by us in writing, the Prices quoted are exclusive of VAT, which shall be added by us at the appropriate prevailing rate. Where any taxable supply for VAT purposes is made under the Contract by us to you, you shall, on receipt of a valid VAT invoice from us, pay to us such additional amounts in respect of VAT as may be chargeable on the supply of the Goods at the same time as payment is due for the supply of the Goods.
- 7.3 If a specific pricing formula is agreed with you in respect of the Goods then we shall apply that formula to the volumes of Goods delivered whilst that formula remains in effect so as to determine the relevant price for each Order.
- 7.4 You acknowledge that the Goods are a commodity product and therefore the prices associated with sourcing the Goods (including all associated costs) are subject to a considerable degree of fluctuation, often over very short timescales. We therefore reserve the right to vary the Price, by giving notice to you at any time prior to Delivery, to take account of any variation (howsoever arising) in these costs including without limitation the imposition or revision of any applicable rates, taxes, duties or levies between the date the prices were provided and Delivery.
- 7.5 If we revise the Price and as a result you no longer wish to receive the relevant Goods you must inform us at least 2 Business Days prior to the anticipated date of Delivery or immediately upon receipt of a notice from us confirming the date the Goods will be available for collection. Provided that you give such notice, then we will have the option to either: (i) confirm the Order at the original price and invoice you accordingly or (ii) confirm that the Order is cancelled at no charge to you. You are not entitled to cancel the Contract pursuant to this clause after Delivery and the price payable for the Goods shall be the revised price notified to you.
- 7.6 If we are unable to Deliver the volume you ordered due to some act or omission on your part (for example the vehicle you have provided to accept the Goods has insufficient storage capacity) then we may, in our absolute discretion,

include an additional charge, set at a reasonable level to cover our costs in storing the Goods and making them available to you at a future date. This charge will be itemised on the invoice.

- 7.7 You may request that the Goods are made available to you as an urgent order. If we are willing and able to do so we will use our best efforts to make the Goods available for Delivery by the agreed delivery date. This is subject to you paying an additional charge (the "**Priority Charge**") the cost of which will be notified to you on the Order Confirmation Form. If we are unable to make the Goods available to you by the agreed delivery date then you will not be charged the Priority Charge (or it will be refunded to you if charged in advance).
- 7.8 If you fail to pay any of the Charges in accordance with the Contract then we may require you to pay an additional charge (the "**Late Payment Charge**") by way of compensation to us for your breach of the Contract. The Late Payment Charge is added to the Price and so the Late Payment Charge will vary according to the volume of Goods ordered. The Late Payment Charge will be detailed on your invoice and we may apply it automatically if you are late in paying the relevant Charges.
- 7.9 We reserve the right to charge you a reasonable card processing fee if you pay any costs by credit card. The cost will be detailed on your invoice and is to cover our costs and the fees that we incur from credit card companies. There is no additional charge for payments made by debit card.

8. PAYMENT

- 8.1 We shall be entitled to submit an invoice to you at any time on or after Delivery.
- 8.2 Unless otherwise notified to you, you will pay each of our invoices in full within 20 Business Days of the date of the invoice. However, we may in our absolute discretion require you to pay some or all of the Charges in advance at the time you place the relevant Order.
- 8.3 Payment shall be made to the bank account nominated in writing by us and will be deemed to have been received only on receipt of cash or cleared funds from you. All sums payable to us under a Contract shall become due immediately upon its termination and time for payment shall be of the essence of the Contract.
- 8.4 All payments due under the Contract shall be made in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise (except as may be required by court order).
- 8.5 We may require (further) security from you in connection with the performance and discharge of your obligations under any Contract or for any other reason we consider reasonable. You confirm that you will use your best endeavours to ensure that any additional security we require (including a third party guarantee) is promptly provided and shall be entitled to suspend delivery of Goods until such time as the additional security is provided. If the additional security is not provided within a reasonable period we shall be entitled to terminate the Contract.
- 8.6 Without limiting any other rights or remedies we may have, including that set out in clause 7.8 (Late Payment Charge), if you do not pay us on time and/or if any of the events in clauses 11.1(b) to 11.1(l) occur, we may do all or any of the following:
- without notice suspend or cancel Delivery of the Goods under the Contract, and any other Contract you have with us, until you pay the outstanding amounts in full;
 - cancel or suspend the Contract (and any other Contracts we have with you) and/or any outstanding quotations;
 - cancel any discount we previously offered to you under the Contract; and/or
 - charge interest on the outstanding amount, calculated on a daily basis from the due date for payment up to the date of actual payment. You must pay us this interest together with the overdue amount. The rate of interest shall be determined in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.

 - (l) you (being an individual) die or, by reason of illness or incapacity (whether mental or physical), you are incapable of managing your own affairs or become a patient under any mental health legislation.
- 11.2 We may without limiting our other rights and/or remedies terminate the Contract:
- (a) in our absolute discretion, if you or we suffer a Force Majeure Event which continues for more than 30 days; and/or
 - (b) on 2 month's notice.
- 11.3 Without limiting our other rights or remedies, we shall have the right to suspend the supply of further Goods under the Contract or any other contract between us and you if:
- (a) you fail to pay any amount due under this Contract on the due date for payment; or
 - (b) you become subject to any of the events listed in clauses 11.1(b) to 11.1(l), or we reasonably believe that you are about to become subject to any of them.
- 11.4 On termination of the Contract for any reason:
- (a) you shall immediately pay to us all outstanding Charges payable pursuant to any and all contracts between us and you, including without limitation any interest payable;
 - (b) the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry of the Contract; and

- 12. FORCE MAJEURE**
- 12.1 In the Contract, "Force Majeure Event" means an event wholly beyond the reasonable control of the party claiming the benefit of the clause (including its sub-contractors) including, without limitation, an act of God, war, riot, civil commotion, compliance with a law or governmental order, rule, regulation or direction, fire, flood, storm, riot, strike or other industrial action (including without limitation strike or other industrial action by our employees), failure by any statutory undertaker, utility company, local authority or like body to provide services, any failure, shortage of power, fuel, raw material, Goods bought from third parties or transport, and any act or omission of any third party to the extent that performance of any obligation of the party claiming the benefit of the clause relies on.
- 12.2 We shall not be liable to you in respect of any failure to perform or delay in performing any of our contractual obligations (other than an obligation to pay monies) attributable to any Force Majeure Event and no such failure or delay shall be deemed for any purpose to constitute a breach of contract.
- 12.3 Our obligations under the Contract are suspended for the period that the Force Majeure Event continues, and we will have an extension of time to perform these obligations for the duration of that period. We will take reasonable steps to bring the Force Majeure Event to a close or to find a solution by which our obligations under these Conditions can be performed despite the Force Majeure Event.
- 12.4 If we suffer any temporary interruptions or shortages in supply (whether or not due to a Force Majeure Event) then both you and we will use our reasonable efforts to minimise any adverse impact. If we need to ration or allocate our available supplies of the Goods then we will do so fairly having regard to the circumstances. You acknowledge that in such circumstances we may allocate supplies to public utilities and emergency services before Goods are rationed and allocated to other customers.
